210mm	Approx 8.6"	Ladies

Open Bangles & Bracelets

1. Cut a strip of paper, roughly the thickness of the desired bangle.
2. Wrap the strip of paper around your wrist and mark with a pen where they overlap.
3. Measure the paper for the length and then choose your available size.

Please note - Bracelets are measured in inches, and usually go up in increments of a 1/4" or 1/2". Your wrist measurement can be smaller than the bracelet size, so round up to the nearest 1/4" or 1/2" as the bracelet should fit comfortably around your wrist.
